I have attended the Canadian 3-D National Championships on different occasions:

1999 Edmonton, Alberta	MBO	silver medal
2002 Halifax Nova, Scotia	MBO	silver medal
2002 Grand Prix Champion (The top eight shoot off)	1st place	
2003 Estevan, Saskatchewan	MBO	silver medal
2004 Prince George, British Columbia	MBO	silver medal
2005 Medicine Hat, Alberta (Indoor)	MBO	gold medal
2006 Lethbridge, Alberta	MBO	4 th place
2006 Regina, Saskatchewan (Indoor)	MBO	silver medal
2007 Winnipeg, Manitoba (Indoor)	MBO	gold medal
2007 Grand Prix Champion (The top eight shoot off)	1st place	
2008 Lethbridge, Alberta (Indoor)	MBO	gold medal

The Southern Alberta 3-D tour is 7 different tournaments. A combination of the highest total scores in all the tournaments ranks the archer as the top shooter in his or her class for the year. Since 1999, I have won the Indoor and Outdoor Tour numerous times. I have also won the Provincial Championships a number of times as well.

In 2007 I traveled to the World Fita 3D Championships in Sopron, Hungary. I placed five in the qualification round and shoot the highest score on one round. There were twenty one countries competing over all. This was an amazing experience for me and would love to go again. Now that I have experienced this level of competition, I know what to expect and I feel that in my next World Competition, I will be that much more prepared and know that I can do better.

As well as being a serious competitive archer, I am also an avid hunter. I have shot many different big and small game over the past ten years. My favorite game to hunt is elk but the best of all is when I get to take my son with me. Last year I shoot two does with my six year old son at my side. He gets a little too excited to go after the bucks with me.

As you can see from this resume, I have been and done a lot in archery. I love the fact that it is a family sport, no matter if it is competitive or hunting. My family is very involved in both faculties and we will all keep going as long as we can.
